**AVMS ANNOUNCES AUDIOVISUAL PARTNERSHIP
WITH THE KIMPTON SIR FRANCIS DRAKE**

Seattle, WA, October 22, 2019 – Audio Visual Management Solutions (AVMS) announced today that it has signed an agreement to become the preferred on-site audiovisual partner of the grande dame of San Francisco's boutique hotels, the Kimpton Sir Francis Drake. This collaboration includes full-service AV production for meetings and events throughout the property, including audio, video, lighting, Internet and staging solutions.

"We are honored to be partnered with another Kimpton property," stated Hobie Fugate, CEO of AVMS. "Their timeless tradition of excellence shows in everything they do, and the AVMS team is truly excited to be a part of such an iconic property as the Sir Francis Drake."

Audio Visual Management Solutions (AVMS) connects people with technology for results so compelling that they keep coming back. For over 20 years, they have provided full-service audiovisual solutions for corporations, events, and hotels. Their success took root through customer satisfaction and resulting word-of-mouth. With partnerships in over 125 hotels, resorts and event centers nationwide, and strategically located offices throughout the nation, AVMS is a premier partner of event technology at any venue — anywhere you need. Their professional team can take an inkling of a vision and take it full-scale into the unimaginable.

"Here at the Kimpton Sir Francis Drake, we feel a real obligation to deliver a seamless audiovisual experience to all guests, especially those hosting meetings and events on property," explained David von Winckler, General Manager. "AVMS has a stellar reputation in both the industry and the city and we are excited to embark on this partnership together."
